communications to be addressed to
THE SURVEYORS.

Dear Sir,

S.

With reference to your classing letter of yesterday's date regarding Report No. 20165 on the motorvessel "ALDEGONDA", in which you request to have a copy of the midship section of this vessel as built, I beg most respectfully to refer to my letter of the 4th instant by which all the plans were sent, of which were already copies in your possession and the case duly explained.

The plans referred to in that letter were returned to this Office with your letter of the 9th instant as we had to use these plans in dealing with the sister vessels.

From this correspondence you will observe that there must be an error in your statement regarding these plans.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LONDON.
