Dear Sir,

S.S. " PENELOPE "

We wish to refer to your letter dated 15th March, 1963, wherein you kindly informed us that the Committee will be prepared to consider the postponement of this vessel's Special Survey provided a satisfactory General Examination of the Hull and Machinery is carried out.

As the "PENELOPE" will be calling at Genoa around the 20th instant, where she will remain about 10 days, we wonder whether you would be prepared to agree to our availing of this opportunity to have the General Examination carried out.

We are looking forward with interest to your early advice on the subject and meanwhile remain

Yours faithfully,
