S/S "PENELOPE"

Dear Sir:

Your cable of the 22nd March was received by me in the Office on 25th and the Ship Agents told me that the Vessel would be finished her cargo on the 27th and it was impossible to attend her due to the difficulties in the transport to that port.

For that reason the adjustment of the safety valves of starboard boiler remains to be done.

Very truly yours,

*Anselmo del Moral*
