Dear Sirs,

S.S. "PENELOPE"

I acknowledge your letter of the 20th March, the contents of which have been noted, and would inform you that the Society have a Surveyor at Havana, and, in the circumstances, he is being instructed by cable to attend to the completion of the Boiler Survey.

Should it not be possible to complete the inspection at this time it will be in order for the outstanding matters to be deferred until the vessel's arrival in Poland by the end of April.

Yours faithfully,

Clerk to the  
Classification Committee
