Dear Sir,

s.s. "PENELOPE"

The Owners of the above vessel may have an opportunity of chartering her for Japan at conditions which appear to be quite favourable considering the present poor freight market.

However, as you know, her next Special Survey (advanced) will be due in June, and the voyage in question would commit her possibly until next September or October.

In the circumstances, Owners would greatly appreciate your advice as to whether you would be prepared to allow their vessel a year's extension of Class, and if so, what would your requirements be in this respect.

As you are aware, none of the periodical Surveys are due before October 1963, including the annual drydocking.

Looking forward with interest to your advice hereon in due course we remain,

Yours faithfully,

Asst. Mgr.
