Dear Sirs,

m.v. "CHARMO".

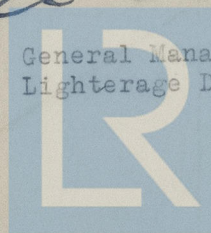

We refer to your Certificate dated the 5th September, 1960, following the Survey on the above vessel, on blocks at Charlton, on the 16th August last, and your recommendation that the stern tube be renewed before the end of February, 1961.

As you are aware, we have had teething troubles with the replacement stern tube casting, the second one being condemned and the third one we are advised is now ~~being~~ cast. In view of this, and the fact that the present stern tube is completely satisfactory, and giving no trouble whatsoever, we would appreciate your consideration to extending the renewal of the stern tube casting to July next when we have arranged for the vessel to be stopped for annual overhaul.

Yours faithfully,  
CHARRINGTON GARDNER LOCKET (LONDON) LTD.
