QUESTION

ANSWER

With reference to your memorandum of the 23rd January, I shall be glad to learn whether there are any changes in the circumstances of this case.

Date:— Sourabaya, 16th. May 1958.

I have today, been advised by the Owners representative at this port that although the future of this vessel is still undecided, it is anticipated that the vessel will be presented for docking and tail shaft surveys within the next 2 weeks. It has also been intimated that the M.S. "MOBARAN" will be brought back into class within the next few weeks.
