Vessel's Name: s.s. "RIO MONDEGO"

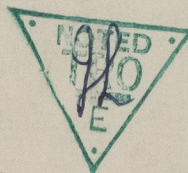

In reply to your enquiry of the 20th instant regarding the examination in drydock of the above named vessel I have to advise you that the owners state they have the "RIO MINHO" in drydock at the moment for Special Survey, to be followed by the new vessel "RIO GUADIANA". They further state that they will endeavour to drydock the "RIO MONDEGO" immediately after, but point out that they are in the hand of the Admiralty in this matter whose dock they use (the only available) and who kept the "RIO MINHO" five weeks beyond her promised date.
