Dear Sirs,

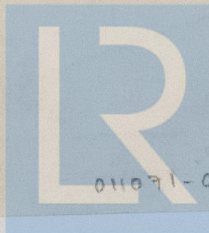

With reference to Greenock Report No. 23110, and your letter of 18th ultimo, relating to Engines for Transport Ferry No. 3023 (Messrs. Lithgow's No. J.1860), I am directed to inform you that an account has today been rendered to the Director of Navy Accounts for the fees due for the supervision of the requirements of the Specification during construction of Engines Nos. 761 and 772 made by Messrs. John G. Kincaid & Co. Ltd., and on payment your account will be credited with the sum of £45 in respect thereof.

A similar fee should be charged to the Engine Builders in respect of Classification.

Yours faithfully,

Secretary

The Surveyors,  
GREENOCK
