ALDWELL.

ENGINEER SURVEYOR.

Dear Sir,

LSTs 3023 and 3032

FE's NOT IN YET

The above numbered vessels have been towed from the U.K. to this port and the owners, Messrs E.G. Fontes e Cia., Rio de Janeiro, intend to complete them, with the necessary alterations, similar to the two other vessels, LSTs 3004 and 3018. Forms Req. 1a duly completed are enclosed herewith.

The owners state that complete drawings for the first two vessels will be forwarded within the next few days, for consideration. It is anticipated that the first vessel will be completed towards the end of May.

THE SECRETARY,
LONDON.

Yours faithfully,

M. Caldwell

Surveyor to Lloyd's Register of Shipping.
