G L A S G O W.

2 plans enclosed.

11th October, 1923.

Sir,

I am desired by Dr. Montgomerie to enclose herewith for information in your office a copy of the Midship Section and Profile Plans approved in this Office for Messrs. A. Stephen & Sons' Steel Screw Steamer No. 503 which is to be built by them for the P. & O. Steam Navigation Co. Ltd.

It will be observed that this vessel is of the superstructure type and the draft desired is 13'-1 $\frac{1}{2}$ ". The scantlings have been determined on the basis adopted in your Office in previous similar cases.

I am, Sir,

Your obedient Servant,

(Signed) P.L. WARLOW.

Local Secretary.

The Secretary,

LONDON.
