

Humboldt - Diesel engines A.G.  
Engines Nos. 473 606 - 7 - 8 - 10

Before this can receive consideration it is  
submitted the Des. Surveyors be asked to  
confirm the sizes of the crank shaft-journals  
& crank pin, given as 70 & 75 mm  
respectively; or to state whether these  
figures should be reversed.
