Steel Twin Screw Train Ferry "DOLORES DE URQUIZA"; No. 19264 in the  
Register Book; 2218 tons gross; Built in 1926-10 mo; Port of  
Registry, Ibicuy. Classed #100A1 Train Ferry "For Service on the  
River Parana".

Owners:- Entre Rios Railway Co. Ltd.

The Society's Surveyors at Buenos Ayres forward  
a letter received from the Secretary to the Owners of these  
two Motor Train Ferries, intimating that it is not intended  
to maintain their classification in the Society's Register Book.

No surveys are actually due on the vessels.

The cases received the consideration of the  
Classing Committee on Tuesday, the 10th instant, when it was  
decided to give instructions for the vessels' classes to be  
withdrawn from the Register Book, and three dots (...) inserted  
in lieu in each case, indicating withdrawal of class at Owners'  
request.
