The Secretary,  
Lloyd's Register of Shipping,  
LONDON.

Dear Sir,

S.S. "MIKE" *R*

In our Return 3 for the week ending 28th September, 1962, the above ship listed as being under survey for Load Line.

This has been given in error and we shall be glad if you will kindly delete the entry from the return.

The Owner had in fact made the request for survey but this was subsequently cancelled on account of cargo commitments. The ship is proceeding on voyage and it is stated that the postponed survey will be done on its return here in several weeks time.

Yours faithfully,

*John Manson*  
John Manson.

For the Surveyors.
