Dear Sir,

"Hidayah."

With reference to your letter of 10th instant regarding the above vessel. At present the E.S., M.B.S., and S.P.S. are being dealt with, at the Owners request. The Owners' intention is to bring the vessel into service at an early date, and it is believed arrangements are being made for Docking and S.S.

Regarding the barges "Kadmamah" and "Kuwaikh", nothing further has been heard, and I understand the Owners are contacting you in these cases.

Yours faithfully,

*P.H. Coles*
