Dear Sir,

KAWAKIAH

Vessels "Hidayah" and Barges "Kadamah" and "Kawakiah"

We wish to seek the following information with regard to the above crafts:

Steam-tug 'Hidayah'

1. We understand that she was classed + 100A1 and her next Special Survey was due on 4/61. We now wish to get her reclassified. Will you kindly let us know the requirements we have to comply with to get this done.

2. Load-Line Certificate:- Our records reveal that this certificate had remained valid till 30th April, 1962. We would like to get it renewed and shall be glad if you could let us know the procedure. Incidentally, we wish to inform you that she is being registered in the State of Kuwait.

'K' Class barges - 'Kadamah' and 'Kawakiah' - We have no records available for these barges. Before we take steps to get them surveyed and obtain fresh records, we shall appreciate your letting us know if you have any records concerning original plans for builders' approval etc. available with you.

Yours faithfully,
for ALGHANIM & HAMZA MARINE TRANSPORT AND
ENGINEERING CO.,
