Dear Sir,

"AMAGISAN MARU"

Report No. 265

Tamano Ship No. 557.

We thank you for your letter of 10th inst., and with reference to the above ship would state in reply to your questions that the three cooling water pumps are all interconnected and the spare pump can be used for either salt or fresh water cooling.

This ship is a sister to the "Azumasan Maru" Tamano Yard No. 556.

With reference to the last paragraph of your letter, regarding the test certificates for motors for air compressors and oil fuel transfer pump, these were transmitted to you by air mail on the 14th June last together with the certificates for "Azumason Maru" and plan of arrangement of engine room for both ships.

You do not mention whether the arrangement plan and certificates for "Azumasan Maru" have been received and we assume that all are missing, so we are again dispatching under separate cover these certificates and plan.

*Now attached*

Yours faithfully,

(Sgd) D. Currie.
