NOTE:- Revised Certificate to be issued in accordance with Endorsements 3.12.48 & 12.4.50.

IT IS FURTHER SUBMITTED the Surveyors be referred to the Instructions to Surveyors (part 2a 1950), Section 27, and requested to conform with the regulation relating to the General Declaration in all future similar cases, and confirm it is applicable in this instance.

They should also be informed, it is concluded the thickness of the bracket floors fitted, is as approved, but this should be confirmed. Also they should confirm the thickness of the second deck plating abreast deck openings, as reported, as this does not agree with the approved or 'as fitted' plans.
