20th February, 1964.

Dear Sir,

M.V. "AZUMASAN MARU"
Kobe Report No.12277

In connection with the above ship, we have received your letter dated 12th February, 1964 and would inform you that only one main engine driven bilge pump has been installed in this ship since her completion.

Yours faithfully,

W. S. S. S.
For the Surveyor.

The Secretary,
