Lloyd's Register of Shipping,  
71, Fenchurch Street,  
LONDON. E.C.3.

Dear Sirs,

S.S. "EBRO" 7120

With reference to your letter of 21st instant, we duly communicated with our friends, The West African Carriers Corporation and we have today received the following reply:-

"With reference to your letter dated 23rd instant be kind enough to advise the Lloyd's Register of Shipping, that the Main Boiler Survey has been completed at Calais on the 10th instant, as per copy of the certificate attached dated 12th instant issued by the Surveyor at Dunkirk, Mr. Ch. R.E. Bolender.

We take this opportunity to remit to you one copy of the certificate issued on the 12th instant by the Lloyd's Surveyor in connection with the safety equipment of the above mentioned vessel. We would appreciate your prompt forwarding to Lloyd's Register of Shipping of the above certificate, asking them to kindly remit to us the up-to-date Safety Equipment Certificate in duplicate, so that we can forward it in due time to the vessel, which is expected to arrive at United States port on the 5th December next."

We shall be glad if you would kindly let us have the up-to-date Safety Equipment Certificate in duplicate as requested.

Yours faithfully,  
for GALBRAITH, PEMBROKE & CO., LIMITED,

*H. G. Cope*  
Director.
