Dear Sir,

Referring to our previous correspondence with regard to Donkey Boilers survey on the M/V "FELIX DZERJINSKY" and M/V. "SMOLNY", according to the latest information received from Messrs. Sovtorgflot, Leningrad, we have to inform you that the above vessels will be maintained only in the class of Registered U.S.S.R., and we have received no instructions to carry out the survey required by you.

We note that owing to similar circumstances you are obliged to withdraw the M/V "ALEXEI RYKOFF" & S.S. "MICHAEL FRUNZE" from the Society's Register with a note indicating "Withdrawal of class at Owners' request".

According to your request, we are communicating with the owners asking them to return your freeboard certificates for the above vessels.

Yours faithfully,
ANGLO-SOVIET SHIPPING CO. LIMITED.

(Signed) M. SHEFFER.
