Dear Sir,

Steamer "NIDO"

With reference to your memorandum of the 11th instant, I have to inform you that a letter bearing the same date has been received from the Society's Surveyors at El Ferrol enclosing a translation of one from the Owners confirming their intention to withdraw this ship from class.

The case was submitted to the Committee at their meeting today, but in view of the statement in the last paragraph of your memorandum that a report from El Ferrol suggests that repairs to maintain class with this Society would be extensive, they requested that before coming to a decision they should be in possession of the report in question.

I shall, therefore, be glad if you will arrange for the El Ferrol Surveyors' report to be forwarded to this office in good time before the next meeting of the Committee, which will take place on Friday, 29th instant.

Yours faithfully,

Pro Clerk to the  
Classification Committee.

The Principal Surveyor,  
MADRID.
