QUESTION

ANSWER

With reference to the Special Survey, which becomes due at the end of June, I shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.

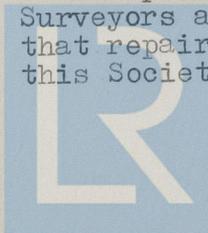

I take this opportunity to point out that the Main Boiler Survey will become due at the end of July.

Date:— 11th June, 1962.

A letter has been received from the Owner of this vessel, Sr. Don Antonio Garcia-Munté Nuño, stating that he wishes the class of this vessel withdrawn.

I have today spoken to the Madrid Manager of the vessel who states that the withdrawal is regretted but they feel unable to alter their decision despite the good relations which have existed.

A report from the Society's Surveyors at El Ferrol suggests that repairs to maintain class with this Society would be extensive.
