Dear Sirs,

s.s. "ARDROSS"

We have to thank you for your letter of the 15th instant, advising us that the Committee are agreeable to a General Examination being held early in December next either at Hong Kong or in Japan on the above named vessel.

We note that special attention is to be given to the outstanding conditions of class, and also your remarks regarding Boiler Survey have been noted. This information has been passed to Owners in Hong Kong, who have advised us that the Boiler Survey was commenced at Galata, and that they will make arrangements for this to be completed at the earliest possible opportunity.

Thanking you for your kind attention,

Yours faithfully,
for HARLEY, MULLION & CO. LIMITED
