RECEIVED  
LLOYD'S REGISTER  
19 APRIL 1937

Dear Sir,

We are in receipt of your letter of the 16th inst with reference to our First Entry Report on the S.S. "MULUBINBA", Messrs. Henry Robb Ltd. Yard No. 234.

In reply thereto we have to inform you that this vessel has returned to this port for completion by the Shipbuilders. The Newcastle Surveyors were advised of the items to be completed at that port, but there is still considerable work to be done here. The trials are expected to take place towards the end of next week, and on completion of these, our reports will be forwarded in the usual way.

We are,

Yours faithfully,

The Surveyors,

Dear Sir

I have the pleasure to acknowledge the receipt of your letter of the 11th inst.

in relation to the proposed alterations to the boiler of the vessel "LANTIER" and to inform you that the same have been referred to the Chief Ship Surveyor and the Chief Engineer Surveyor for their consideration.

The alterations proposed are of a nature which would necessitate the removal of the boiler from the vessel and its replacement by a new boiler of a different design.

It is requested that you should advise the Surveyors of the progress of the proposed alterations and of the date when the vessel is expected to be ready for service.

Yours faithfully,
