LEITH, EDINBURGH, 6.

S.S. NO. 234

Dear Sirs,

Referring to your letter to Messrs.
Henry Robb Limited, dated 27th June, 1936, in
connection with Yard No. 234 - Openings in Watertight
Bulkheads - I have to inform you that we desire that
Bulkhead No. 68 be recorded as a Watertight Bulkhead
and I undertake that the plates will be permanently
rivetted up on the vessel's arrival at Sydney,
Australia.

Yours faithfully,

The Newcastle & Hunter River Steamship Co. Ltd.
