Enclosure:

My Dear Dick,

I am sorry that when intimating that the Official number and gross tonnage had been inserted in the freeboard certificates of the steamer "BROOMFIELD" I did not specifically mention that the tonnages had been altered.

These tonnages should be:-

Gross	657.36
Net	268.38

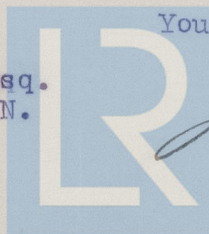

as shewn in pencil on the 1st Entry certificate, which I am returning herewith.

Will you be good enough to have it amended and returned to me by return of post.

With kindest regards,

Yours sincerely,

R.J. Sladden Esq.  
LONDON.

*Perhaps you will also arrange for the alteration to be made on the first entry with 110700, & the R.S. if necessary.*
