C  
Dear Sirs,

WK/EMD

Motorship "GLADONIA"

This ship was surveyed at Rotterdam during February following stranding near the mouth of the New Waterway during January. At the time of this survey it was stated that permanent repairs would be carried out at Amsterdam, and in a letter to this office on the 3rd May Rotterdam Surveyors stated that the ship was now at Amsterdam for permanent repairs.

In view of the fact that the ship has not been reported under survey at your port, I shall be glad to learn whether any decision has been reached regarding the repairs.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
AMSTERDAM.
