Classn.

14th June 1955

Dear Sir,

"CAMBOINHAS"

The owners of the above named vessel have informed me, today, that they wish to withdraw the vessel from class.

The vessel has commenced conversion to oil fuel and the Bureau Veritas are prepared to accept this conversion, without any alteration to the existing riveting of shell or the d.b. tanktops.

The owners appreciate the difference in Classification and deeply regret that their financial position makes this, the cheapest conversion, necessary.

Yours faithfully,

M. Caldwell

Surveyor to Lloyd's Register.

The Secretary,
LONDON.
