UNDERTAKING CASE

Dear Sir,

S.S. "OILFIELD"  
RECLASSIFICATION SPECIAL NO.3

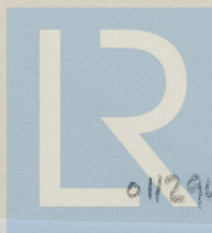

In accordance with our earlier correspondence, we would inform you that it is possible this vessel will proceed in the very near future to Holland for reclassification purposes.

It is proposed to tow the vessel from the Tyne under contract with one of the Dutch Deep Sea Tug Companies, for which purpose steam would be on the vessel's Donkey Boiler for steering purposes.

Vessel's own wireless telegraphic outfit will be in commission, in charge of an Operator, and I shall be pleased to learn if you have any comments to make on this proposal.

We shall obtain from the Board of Trade the necessary certificate for Boats, Lights and Life-Saving Equipment.

Yours faithfully,
