The Secretary,
Lloyd's Register of Shipping,
High Close,
Wokingham, Berks.

Dear Sir:

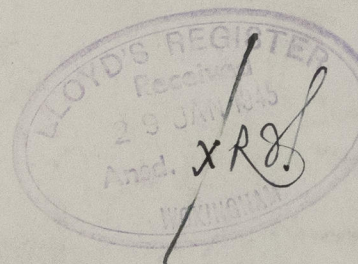

We are in receipt of your letter (S) of the 24th ultimo regarding the "LISCOMB PARK" Rpt. No. 4982. We are advised by the Surveyor in attendance on the vessel that the steel used in the construction of the vessel was made by the Open Hearth Process and satisfactorily tested by Surveyors to this Society. The equipment number of the vessel is 23208 and appears to have been omitted from the Report.

We are, Dear Sir,

Yours faithfully,

Surveyor.
