Castellammare di Stabia Yard N° 623.

In reply to your letter of the 12th instant regarding the draft of the above vessels we have pleasure in informing you that both the "GUIDO DONEGANI" and "GIACINTO MOTTA" are eligible for the increased Summer Draft of 8704.5 m/m. above the upper surface of the keel, without any amendments, and we shall be grateful if you will kindly inform us when the actual verification of the corresponding new freeboards may be effected by our Surveyors.

It is noted that the proposed new vessel Castellammare Yard N° 623 is to be an exact sister ship to the above and in that event it also will be eligible for the greater draft without any additional strengthening
