This ship was built by St. John D.D. & S.B.Co., Ltd.,
in 1,45 and classed #100A1.

The class was withdrawn in 5,62, but although a
Reclassification Survey was commenced in 7,63 it was
not completed and the ship therefore has remained
out of class.

Following a request from the Owners for reclassification
in 2,68, the Singapore Surveyors were advised 8.3.68 of the
survey requirements.

The SINGAPORE Surveyors now report (6,68) the ship
examined and drilled in dry dock with their recommendations
for extensive shell and deck plate renewals.

Only a few plates have been renewed and tested at this
time, and the Owners have stated the ship may be offered
for survey again at a later date.

IT IS SUBMITTED THEREFORE ACTION be
DEFERRED for completion of reclassification
survey.
