Enclosure

Dear Sirs,

Steamer "RUSHWOOD"

I send herewith a copy of a letter dated the 19th instant received from the Owners of the above ship, together with a copy of my reply, from which it will be noted that the ship may be submitted for survey at your port about the end of the present month.

I have to inform you that as a result of the Owners' request the condition of class regarding the Metalock repairs to the vulcan coupling vanes being specially examined by March, 1962 has now been deleted from the Special Reasons List.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
ANTWERP.
