Dear Sir,

M.S. "Rushwood" Ans'd.....

In connection with our Report 8 now forwarded for surveys held on the above ship in this port we have to advise that we have attached a Rpt. 8 (Eq.) for 15 fathoms of chain cable supplied to the ship in Philadelphia, in which it will be seen that the weight of cable supplied and the test data has been omitted.

The certificate (Philadelphia No 8556) referring to this cable was checked with the cable, but unfortunately a note of this data has been lost. We regret this omission.

Yours faithfully,
