Steamer "STAR"

A Special Survey became due in March, 1957, and was partly held.

The ship was, however, laid up and has remained laid up at Eleusis.

The Committee have qualified the class by recording the notation "Surveys overdue 3,57".

In view of the fact that 8 years have elapsed since the ship was last specially surveyed, it is submitted that in accordance with the usual practice, the class be omitted from the forthcoming reprint of the Register Book and the notation "Classed LR until 3,57" be inserted.
