Dear Sir,

With reference to the Entry in the Refrigerated Section of the Register Book for the "AKAGISAN MARU" we think it well to mention that the number of chambers is recorded as 2, and in this connection we would draw your attention to our letter reference Eng. dated 22nd February, 1952 wherein we pointed out that the original report was erroneous and that the correct figure was 3.

Yours faithfully,

For the Surveyors.

The Secretary,  
LONDON.
