Dear Sirs,

Motorships "AKAGISAN MARU" & "EIAN MARU"

I am in receipt of your letter of the 15th instant respecting the above vessel, and note your remarks.

As only the two "approved" plans listed on Page 4 of your reports appear to have been received in this Office, I shall be glad if you will kindly confirm that the "as built" plans forwarded are in accordance with the approved plans, and that no modifications from the approved plans have been embodied in the vessel as built.

I may add for your future guidance that, if the "as fitted" plans are sent with the report, they should be endorsed by you as being in accordance with the approved plans.

Yours faithfully,

Clerk to the
