12th January, 1948.

Dear Mr. Craig,

I am obliged to you for your letter of the 10th instant regarding the fees for the machinery of the steamship "ARABIA", and in reply I would remark that after conferring with Mr. Ferguson on the point it is felt that the fees should be based on the 1945 scale and an amended account rendered to Messrs. Richardsons, Westgarth & Co.

Perhaps you will kindly arrange this and write an official letter requesting that the books here be amended accordingly.

Yours sincerely,

W.J. Craig, Esq.,  
WEST HARTLEPOOL.
