8th January, 1948.

Dear Mr. Craig,

In the case of the new Steamer "ARABIA", West Hartlepool First Entry report No.18887, it appears that the fees have been charged from your port under the old scale when, of course, they should have been based on the 1945 scale.

The Sunderland Surveyors have charged their hull fees on the 1945 scale and I shall be obliged if you will kindly let me know whether you are able to render an amended account to the Engine Builders.

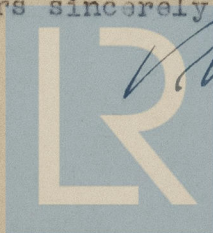

It is quite likely the slip occurred through copying a First Entry report on a sister ship and we have to watch this point rather carefully these days.

With kindest regards,

Yours sincerely,

W.J. Craig, Esq.,

WEST HARTLEPOOL.
