High Close, Wokingham, Berks.

10th June, 1942.

Dear Sir,

S.

I duly received Mr. Heck's letter of the 14th April last respecting New York Report No.42307 on the steamer "OCEAN LIBERTY" and am much obliged to him for the remarks contained therein.

In reply I am directed to say that the procedure outlined in his letter is considered quite satisfactory.

I shall, however, be glad to learn whether it has been possible to make any arrangements regarding the furnishing of dynamo test certificates from the Makers of the dynamos for the various vessels of this class.

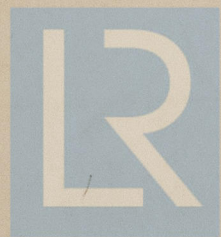

I am also requested to say it is concluded the openings in the 'tween deck bulkheads have been closed in accordance with M.S. letter No.1835, a copy of which was forwarded to you with the semi-official letter of the 2nd March last.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.

Wm. Bennett Esq.,

NEW YORK.
