MR. J. H. KINKHAN,
MASTER ATTENDANT,
BOARD OF MANAGEMENT FOR THE PORT OF RANGOON,
(LLOYD'S RANGOON REPRESENTATIVE)
PRAYNE STREET, RANGOON.

Dear Sir,

Inland Water Transport Board Vessels
built to Lloyd's Class.

Quarter Wheelers "POH-DAUNG", "PADASHIN", "PONNYA",
"PADAFYAN" and "PADAMYA" built by Yarrow & Company, Glasgow,
were built and delivered to this Board under Lloyds Class,
and we have no intentions of keeping them on their Book.

Board's vessels are built and surveyed under
Lloyds Class for 100% efficiency in the Class, and once we
have given acceptance to the vessels they will be maintained
by us as hitherto done.

We greatly appreciate your very kind attention
shown in the survey of the abovenamed vessels.

Yours faithfully,
INLAND WATER TRANSPORT BOARD,

(CAPTAIN MYAW DIN)
MARINE SUPERINTENDENT
