The Secretary,
London.

Dear Sir,

M.S. "TENNA DAN" - Cpn. Rpt. 17277.

Referring to your classing letter of the 2nd inst. we have to say that torsional vibration calculations, including Holzer frequency tables and vector summations, are not in our possession and on applications to the Owners it was stated that they cannot either give the desired information.

Yours faithfully,

H. G. Lyderen.
