COPENHAGEN

272, 294, 315 - As recommended.

910 "ANNAM" This ship has today been classed \*100A1 "Oil  
pker" together with the appropriate notations recommended  
you.

"ENNA DAN" Before your report No. 17277 receives the consideration  
of the Committee I would refer you to Chapter C.11, Paragraph 1105  
of the Rules, and shall be glad if you will furnish plans of the  
following parts for approval:-

Crankshaft and straight shafting  
Donkey Boilers  
Pumping and piping arrangements  
Electrical installation, including that  
for slip couplings.

It would appear that barred speeds have already been imposed  
and the torsional vibration calculations should also be forwarded  
for approval.

An early reply is desired.
