Dear Mr. Munro:-

In reply to your letter of the 4th instant, we wish to advise that in going through our records here we find that Steamer "ROCKWOOD PARK" has Boiler Certificates Nos. 4575 and 4576, Dominion Bridge Contract B.1042, S.2 and P.1, with dates 19.10.42 and 22.10.42 respectively.

Likewise Steamer "VICTORIA PARK" has Nos. 4577 and 4578, Dominion Bridge Contract B.1042 P.3 and S.3, dates 7.11.42 and 19.11.42 respectively.

Our Numbers run from 001 to 9999 and then revert, and it is pure coincidence that Steamer "ASHBY PARK" has Boiler Certificates Nos. 4575 and 4576, Dominion Bridge Contract B.1421, S.4 and P.4, dates 18.9.44 and 19.9.44 respectively.

All Dominion Bridge Company's Boilers are stamped with the Contract and Boiler Number, Lloyd's Number, date and Surveyor's initials.

Further to your question, we herewith enclose list of Boilers made under the two Dominion Bridge Company's Contracts in question with Lloyd's Numbers and other information.

Yours sincerely,

SURVEYOR
