Dear Sir,

re: m.t. "Southern Enterprise".

We request that the Trading Limits of the m.t. "Southern Enterprise" be extended to include Diego-Suarez and Madagascar. The reason for this is the possibility of loading cargoes for the Comores in Diego-Suarez giving the vessel passage in waters sheltered by the Madagascar coast.

Your earliest reply would be appreciated.

Yours faithfully,
for SOUTHERN LINE LIMITED

A. W. Bentley-Buckle.
