

6th May, 1958.

GOS

347, 48, 55 - As recommended.

340 "TAYWOOD TID" As recommended. The Committee have today recommended the class to 100A1 "For towing services on the Coast of Panama".

As a result of the satisfactory General Examination carried out by you, the Committee have now confirmed their agreement to the Special Survey being postponed until August, 1958. I shall be glad if you will inform the Owners accordingly.

349 "ONITSHA" As recommended, except that the class has been continued subject as previously recorded.
