Dear Sir,

S.S. "ORIENT TRADER"

With reference to the Special Survey which become due at the end of January last, the Committee approved the postponement of this inspection until January next following a satisfactory General Examination carried out in London last January.

In the circumstances I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making for the above inspection to be carried out.

The Boiler Survey will become due at the end of February.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
