Dear Sirs,

M.S. "KOSMONAUT".

With reference to the Classification in this Society's Register Book, I would draw your attention to the fact that according to our Rules, the Auxiliary Boiler Survey became due at the end of April.

I shall be obliged if you will kindly let me know whether it is your intention to discontinue the Classification of this vessel with Lloyd's Register or, alternatively, will you please state what arrangements are proposed for the above inspection.

I would add that the vessel's class is subject to a bower anchor and 90 fathoms of chain cable being supplied at the earliest opportunity.

Yours faithfully,

Clerk to the
Classification Committee.
