Dear Sir:

Todd-Bath Iron S.B. Corporation  
s.s. "OCEAN STRANGER" - Hull 20

Would you kindly note that thru a clerical error  
the frames in No.1 Hold (13 to 38 incl.) have been reported  
in the First Entry Report as 12x4x4x.50/.69.

These of course should have read as 15x3.37  
x3.37x.52/.62 as for all the other sister vessels of this  
class.

I should be glad if you would kindly arrange  
to correct the First Entry Report accordingly.

Yours very truly,

JSO:b
